# Our Safaris

East Africa is the home of safaris. This is where the concept of the safari was born. Kenya safaris offer an incredible diversity of landscapes and some of the highest concentrations of wildlife in the world. This is where elephants mingle with vast herds of zebra, wildebeest and buffalo, while leopards, cheetahs and lions thrive.

Motherland Tours prides itself in building unforgettable safaris. Our safari itineraries are tailored to deliver a wholesome experience across Kenya, Uganda, Tanzania & Rwanda.

We also offer special air charter services.

# Flying Safaris

The breathtaking views of East Africa's vast landscapes and beautiful wildlife will be a must-do with Motherland Tours.

We are the go-to people when it comes to hot-air balloon safaris. We ensure that the safari experience is all that you can imagine and more.

# Car-Hire Services

Well maintained clean cars are our mainstay when it comes to transport services and we have established ourselves as a reliable partner for several organizations and satisfied individuals within Nairobi and its environs.

Our fleet is comprised of the latest cars on the market in top condition. These are available for self - drive hire or driver inclusive of a highly trained driver to give our clients a memorable and hassle free experience.
